

# Got an Angel on My Shoulder

194

<sup>F</sup> Got an angel on my shoulder <sup>C7</sup> <sup>F</sup> - Got a penny in my pocket

And I found a four leaf clover <sup>C7</sup> - And I put it in my locket( men=pocket ) <sup>F</sup>

<sup>F</sup> Wished on all the stars above me - Even I caught the nearest rainbow

<sup>F</sup> Gonna find someone to love me <sup>C7</sup> - Gonna find someone to love <sup>F</sup>

**\*\*\*\*** <sup>F</sup> <sup>F7</sup> Well I tossed a lot of nickels in the wishing well <sup>Bb</sup>

<sup>C7</sup> And saved the fortunes that the fortune cookies tell <sup>F</sup>

<sup>F</sup> I got a lucky penny and a mustard seed <sup>Bb</sup>

<sup>C7</sup> But a warm and tender love is all I need <sup>C7</sup> →

<sup>C7</sup> And I want a love that lingers <sup>F</sup> - And is stronger through and through

So I'm gonna cross my fingers <sup>C7</sup> - That I'll find someone to love me true <sup>F</sup>

<sup>C7</sup> And I'm gonna love them too <sup>F</sup> **\*\*\*** <sup>C7</sup> (And I'm gonna to love them too) <sup>F</sup>

SECOND ENDING

**\*\*\*\*** return and repeat to end
